How you can help:

The facilities are owned by the AHSRA charity and run completely by volunteers - not council owned. AHSRA is funded by income from fundraising, donations, pitch/hire fees or successful grant applications.

- Donate online on the AHSRA JustGiving page: <https://www.justgiving.com/charity/ashtonhayes-sra>
- Donation box on the counter in the Community Shop or buckets at events
- Hire the Pavilion for a children's party, social get together, meeting etc
- Buy food and drink or a raffle ticket at events
- Volunteer or become a Trustee

Can you spare a few hours per month to Volunteer ?

Most tasks require no professional experience and trustees and volunteers are really friendly and supportive. They just need more help - if you can get involved with anything below please contact ashtonhsra@gmail.com to arrange a chat – finding out more is not a commitment.

- Supporting our new 'welcoming spaces' sessions held at the pavilion including a new venture which welcomes people dropping in for a chat over a hot drink and cake
- Secretary duties including taking minutes and record keeping, dealing with inbound email etc
- Admin such as arranging health & safety inspections, filing accounts, updating companies house etc
- Assisting the Treasurer with invoicing etc
- Helping with pavilion rental activities such as taking bookings, opening and closing up
- Being on a rota for daily safety inspections or arranging contractors for maintenance works
- Being part of the team running community fundraising events
